COVID-19 INFORMATION

The COVID-19 pandemic has impacted the lives of students by displacing regular routines, and removing extracurricular opportunities such as sports, clubs and other social activities.

When students return to school, it may not look and feel the same at first. Health advice is evolving but the Ministry of Education will be guided by health expertise, with the foremost commitment to protecting the health, safety, and well-being of students. The look of classrooms and the rhythm of the school day may need to be adapted to keep students safe, while maximizing learning opportunities.

Depending on public health circumstances, some schools may need to remain closed, or may need to plan to open and close during the school year to keep students safe.

For ongoing Niagara Catholic communications and learning at home resources during the Covid-19 pandemic, please visit:

<https://niagaracatholic.ca/covid-19-learn-at-home-resources/>

New health and safety protocols will be developed with the advice of public health and the Ministry of Labour, which issues guidelines for workplaces in Ontario. These protocols will include guidance on cleaning, the use of personal protective equipment and the participation in school by all employees and students.

School boards and educators will be expected to move fluently between in-person and online delivery. The Ministry, parents, and students will continue to expect that teachers use synchronous learning.

Synchronous Learning Checklist for Students and Parents/Guardians

Parents/guardians must use discretion while supervising students engaging in synchronous learning sessions with staff and other students. Synchronous learning ranges from a number of real-time, interactive platforms available for staff ranging from Google Meet/Hangout and Virtual Classroom in the Niagara Catholic Virtual Learning Environment, e-mails, phone calls, audio and video conferencing, all of which are interactive, in real-time.

Please use the following checklists to assist your child in preparing for synchronous learning sessions.

BEFORE a synchronous learning session...

- ☐ Students are to be prepared for the session in advance of the scheduled start time.
- ☐ Students must dress appropriately as they may be on camera.
- ☐ Students are to find a quiet and well-lit space for the session.
- ☐ Students are to avoid pointing the camera into their personal living space.
- ☐ Students are to ensure that their microphone and camera are on and working.
- ☐ Students will use their Niagara Catholic Google account credentials (@niagaracatholic.ca username and password) to enter the session.

DURING a synchronous learning session...

- ☐ Students are expected to follow the instructions of the teacher or staff member.
- ☐ Students are to follow the expectations in the Board Code of Conduct which applies to all schools and the online virtual Catholic classroom.
- ☐ Students must be respectful, use appropriate language and behave at all times.
- ☐ Students are not permitted to record the session.
- ☐ Students are to mute their microphone if they are not speaking.
- ☐ Students will request to speak by using the chat tool associated with the online platform.
- ☐ Students are to let their teacher know if they need to leave a session.
- ☐ Students may turn on closed captioning to help with understanding the presentation and discussion.

AFTER a synchronous learning session...

- ☐ Students must exit the session as directed by the teacher or staff member. The teacher or staff member will be the last participant to exit and close the session.
- ☐ Students and/or parents/guardians are asked to follow-up with the teacher or staff member with any questions or concerns.

Parents/guardians can support synchronous learning by:

- ❑ Providing a quiet, confidential learning space within their home and by supporting student(s) to actively engage with school staff in the continuity of learning.
- ❑ Ensuring that a computer/device is in working order for their student(s) to use for the online synchronous learning session, including audio and/or video, and that other screens or programs are closed.
- ❑ Supporting the expectations for positive student behaviour throughout the entire online synchronous learning session.
- ❑ Understanding that the Niagara Catholic [Code of Conduct Policy \(#302.6.2\)](#), [Electronic Communications Systems \(Students\) Administrative Operational Procedures \(#301.5\)](#), [Electronic Communications Systems \(Employees\) Policy \(#201.12\)](#), [Privacy Policy \(#600.6\)](#) and other applicable Board policies and administrative operational procedures apply during synchronous learning and in the virtual Catholic classroom.
- ❑ Exercising discretion while supervising their student(s) engaging in online synchronous learning sessions with school staff and other students.
- ❑ Respecting confidentiality about any personal information that they may incidentally learn about other students in the classroom during online synchronous learning sessions.
- ❑ Ensuring that the online synchronous learning session is not recorded in any way, including screenshots.
- ❑ Supporting their student(s) in exiting the online synchronous learning session as directed by school staff.
- ❑ Connecting with school staff about the ongoing progress and achievement of their student(s).

Symptoms of Novel Coronavirus (COVID-19)

COVID-19 is often very mild, and often goes unnoticed in healthy people. But that does not mean that even minor [symptoms](#) should be ignored. Niagara Health has [three testing centres](#) which are open to members of the public without referral from a doctor.

Self-Isolation and Preventing the Spread

Niagara Region Public Health has the most current information on self-isolation requirements. Please visit the Region's [COVID-19 self-assessment page](#) if you believe you may have been exposed. Public Health also has an excellent information section on protecting yourself and preventing the spread of COVID-19. [Check it out](#) for more information.

In order to prevent the spread of infection, students and staff who have signs/symptoms of COVID-19 should not attend school and should go to their primary care provider or an assessment centre for testing. Direction will be provided by Niagara Region Public Health to those who have had an exposure to a confirmed case of COVID-19 or to those who have been diagnosed with COVID-19 and when they may return to school.

Students should not come to school if they are symptomatic or ill; or if someone they have come in contact with, including within their household, is ill with a suspected or a positive case of COVID-19 in the past 14 days.

Hand hygiene refers to handwashing or hand sanitizing to remove or kill the virus and is the most effective way to reduce transmission of COVID-19.

Do you have any of the following right now?

1 Fever/chills	6 A runny or congested nose (not allergies)
2 New cough or a cough that is getting worse	7 Unusual level of fatigue
3 Difficulty breathing	8 Unusual headache
4 Shortness of breath (even when sitting or walking regularly)	9 Nausea / vomiting, diarrhea, or loss of appetite
5 Sore throat	10 Feeling unwell for an unknown reason

If the answer is YES to any of these, please leave this building and contact your health care professional immediately.

For more information about issues of bullying, visit the Promoting Relationships and Eliminating Violence Network (PREVNet) at www.prevnet.ca.

WHAT SHOULD I DO IF I AM BULLIED?

- Talk to an adult you trust.
- Stay close to other students or adults who will stick up for you.
- Stay in areas where you feel safe.
- Walk away.
- Use your words to ask someone who is bullying to “STOP”.

POSITIVE SCHOOL CLIMATE AND BULLYING

I KNOW THAT A FRIEND IS BEING BULLIED. WHAT SHOULD I DO?

Report it to an adult at school who can help. Reporting is standing up for your rights and the rights of others to feel safe.

WHAT WILL HAPPEN WHEN BULLYING IS REPORTED?

The benefit of reporting bullying issues is that the student who is bullying is no longer in control. When teachers and other school staff are aware of bullying, they can find ways to help the student who is bullying to change his/her behaviour.

Every situation will be dealt with on an individual basis. Some strategies that may be used to stop bullying will be restorative practices, counseling, and communication with parents/guardians, peer mediation, detentions, removal of privileges, suspension or police contact.

HOW SERIOUSLY ARE THREATS TAKEN?

All threats and attempts to intimidate others will be taken seriously and investigated. Appropriate steps will be taken to ensure that the behaviour stops and students feel safe.

SURVEILLANCE CAMERAS

For the protection of students and staff, Niagara Catholic District School Board Secondary Schools have surveillance cameras that monitor the main school building and sections of the school grounds on a 24 hour basis.

WHAT DO I DO IF

I AM ABSENT FROM SCHOOL?

Have a parent/guardian report your absence by calling 1-844-287-6287 or online at <https://go.schoolmessenger.ca>

I AM LATE FOR SCHOOL?

POPE FRANCIS' FIVE FINGER PRAYER

1.) THE THUMB IS THE CLOSEST FINGER TO YOU. SO START PRAYING FOR THOSE WHO ARE CLOSEST TO YOU. THEY ARE THE PERSONS EASIEST TO REMEMBER. TO PRAY FOR OUR DEAR ONES IS A "SWEET OBLIGATION."

2.) THE NEXT FINGER IS THE INDEX. PRAY FOR THOSE WHO TEACH YOU. INSTRUCT YOU AND HEAL YOU. THEY NEED THE SUPPORT AND WISDOM TO SHOW DIRECTION TO OTHERS. ALWAYS KEEP THEM IN YOUR PRAYERS.

3.) THE FOLLOWING FINGER IS THE TALLEST. IT REMINDS US OF OUR LEADERS, THE GOVERNORS AND THOSE WHO HAVE AUTHORITY. THEY NEED GOD'S GUIDANCE.

4.) THE FOURTH FINGER IS THE RING FINGER. EVEN THAT IT MAY SURPRISE YOU, IT IS OUR WEAKEST FINGER. IT SHOULD REMIND US TO PRAY FOR THE WEAKEST, THE SICK OR THOSE PLAGUED BY PROBLEMS. THEY NEED YOUR PRAYERS.

5.) AND FINALLY WE HAVE OUR SMALLEST FINGER, THE SMALLEST OF ALL. YOUR PINKIE SHOULD REMIND YOU TO PRAY FOR YOURSELF. WHEN YOU ARE DONE PRAYING FOR THE OTHER FOUR GROUPS, YOU WILL BE ABLE TO SEE YOUR OWN NEEDS BUT IN THE PROPER PERSPECTIVE, AND ALSO YOU WILL BE ABLE TO PRAY FOR YOUR OWN NEEDS IN A BETTER WAY.

RELIGION AND CHRISTIAN COMMUNITY SERVICE

CHAPLAINCY

The Chaplaincy Leader is available to support and guide all members of the school community on their faith journey. In order to do this the Chaplaincy Leader provides the following services:

- Leader of Chaplaincy Team
- Opportunities for Prayer, Sacraments and Celebrations of the Eucharist
- Pastoral Care, Grief and Bereavement
- Conflict Mediation
- Resource for Student Projects, Prayer Services and Class Discussion and Retreats

By calling forth the talents and gifts of students and staff, the Chaplaincy Leader encourages a strong sense of Christian community in the school. Fostering both a sense of caring and of social justice, the Chaplaincy Leader shares in what makes the school a special experience for all who are a part of the Catholic High School. Students are welcome to drop by the Chaplaincy Leader's office at any time.

Students who would like to develop their Christian Leadership skills and share their faith within the school community should contact their Chaplaincy Leader to discuss possible opportunities. Under the leadership of the Chaplaincy Leader, the goal is to enhance the spiritual and faith life of the school through such activities as Liturgies, Prayer Services, Social Justice, Retreats, peer support and special projects.

CHRISTIAN COMMUNITY SERVICE POLICY #400.3

Students in Grades 9 to 12 will select one or more Christian Community Service activities in consultation with their parents/guardians. These activities will be completed during each year of secondary school as an essential component of the Religious Education program in order to fulfill the diploma requirement of 40 hours for graduation. The total of 40 hours of Christian Community Service would be the minimum expectation for students. The Secondary school principal may approve special requests.

Christian Community Service is a service one gives to the community. It is service spent on community projects, which could be of a cultural, humanitarian, athletic or fund-raising nature. The community could be a club, a parish, an organization, or a public institution. Students will be expected to select an activity that meets the criteria as described in the Niagara Catholic District School Board Information Brochure and the Guiding Principles for Christian Community Service.

Community involvement activity hours, mandated by the Ministry of Education as part of the requirements for an Ontario Secondary School Diploma (OSSD), may not necessarily follow the Guiding Principles of Christian Community Service. Although valid and important experiences, these activities will not be recognized for Christian Community Service within the Religious Education class, although the hours still count toward the forty (40) volunteer hours needed for graduation.

Students will be responsible for completing all documentation according to Board requirements. The forms Notification of Planned Christian Community Service Activities and the Completion of Christian Community Service Activities must be completed each year by students.

RELIGION AND CHRISTIAN COMMUNITY SERVICE

Religious Education Department staff will verify that the identified service activity meets the criteria of Christian Community Service, approve the Completion of Christian Community Services Activities Form, and forward the forms to Student Services to input the completed hours into the student's Maplewood profile.

If a student enrolled in a Niagara Catholic Secondary School is interested in completing their Christian Community Service over the summer, or in a semester in which the student does not take a Religious Education course, the student must complete a Notification of Planned Christian Community Service Activities form and submit it to the Program Chair of Religious Education prior to the beginning of the summer holidays or the semester the student is enrolled in the Religious Education course for preapproval.

Community Sponsors are responsible for providing a safe environment and the appropriate training, equipment and preparation for students who will be under their supervision. They must be aware of the "ineligible activities" as outlined in the Board's Information Brochure. The person (not parent/guardian) supervising the student's activity must verify the date(s) and number of hours completed on the Completion of Christian Community Services Activities' Form found on the Catholic Secondary School's website.

Principals, in co-operation with the Religion and Student Services Departments, are responsible for sharing information and documentation with students, parents and the broader community, approving special requests, and ensuring that completed Christian Community Service hours are entered on a student's official transcript and report card.

The Niagara Catholic District School Board's liability insurance covers students who are involved in Christian Community Service, but it is recommended that students participating in the program purchase Student Accident Insurance.

RELIGIOUS ACCOMMODATION POLICY #100.10.1

The Niagara Catholic District School Board is committed to the values of freedom of religion and freedom from discriminatory or harassing behaviours based on religion and will take all reasonable steps to provide religious accommodations within the legal rights afforded to the Catholic school system. Such accommodations will be provided to staff, students and their families. All accommodation requests will be taken seriously. No person will be penalized for making an accommodation request.

For many students and staff of the Board, there are a number of areas where the practice of their religion will result in a request for accommodation on the part of the school and/or the Board. These areas include, but are not limited to the following:

- School opening and closing exercises
- Leave of Absence for Religious Holy Days
- Prayer
- Dietary requirements and Fasting
- Religious dress and Modesty requirements in physical education
- Participation in daily activities and curriculum

RELIGIOUS EDUCATION, MASSES, AND RETREATS

All students are required to select and successfully complete a religious education credit course for each year of enrolment and participate in liturgical celebrations and activities in order to participate in school graduation ceremonies and receive the Catholic High School Diploma. Students must attend all assemblies, school masses and liturgies. Students who skip mass and/or liturgies may be suspended from school.

Ten hours of Christian Community Service and a reflection assignment are part of each Religious Education course. The Christian Community Service hours will satisfy the Ministry's graduation expectation for community service requirement. Students must successfully complete their Christian Community Service and assignment in each year of study in order to participate in the school's graduation ceremony and prom.

Students of each grade level are required to participate on a retreat with his/her class. For specific conflicts, the Chaplaincy Leader may allow the student to attend a retreat with another class. Only the Principal can excuse a student from attending a retreat.

ASSESSMENT, EVALUATION, AND ACADEMIC INTEGRITY

ACADEMIC ACHIEVEMENT

Students in grades 9, 10, and 11 will take 8 credits, 4 credits per semester. Students in grade 12 will take a minimum of 6 credits. A student will have earned 24 credits before a study period becomes part of his/her timetable.

ASSESSMENT, EVALUATION, REPORTING, AND HOMEWORK POLICY #301.10

The Niagara Catholic District School Board acknowledges that the primary purpose of assessment, evaluation, and reporting is to improve student learning and achievement for all students. The Board promotes a family-friendly approach to homework to support the learning, achievement and well-being of all students.

Assessment is the process of gathering information, from observations, conversations and student products to demonstrate how well a student is achieving the curriculum expectations and to improve student learning.

CHEATING AND PLAGIARISM

Cheating is broadly understood to mean offences against the academic integrity of the learning environment. This would include, but is not limited, to the following:

- Copying from another student or making information available to another student for the purpose of copying during a test/examination/quiz or for individual/group
- Failing to follow instructions of the presiding teacher during an examination; assignments;
- Submitting any written work (electronic or hard copy) in whole or in part which has been written by someone else;
- Using direct quotations or paraphrased material in any assignment without giving the proper acknowledgement.

Plagiarism is usually defined as presenting someone's words and ideas as one's own. It can take many forms, including the following:

- Submitting an essay/assignment written by someone else e.g., buying an essay online, downloading an essay from a free website, having someone else complete one's assignment or copying or using work done by another student (including homework);
- Piecing together material from one or several sources and adding only linking sentences;
- Quoting or paraphrasing material without citing the source of the material, including books, magazines or print from all electronic sources (videos, podcasts, etc.);
- Not providing quotation marks for direct quotations – even if sources have been cited.

It is the responsibility of students to practice academic integrity in all aspects of their school work so that the marks they receive are a true reflection of their own achievement. Students must understand that assessments completed and assignments submitted for evaluation must be their own work and that cheating and plagiarism will have consequences.

ASSESSMENT, EVALUATION, AND ACADEMIC INTEGRITY

All confirmed incidents of cheating and/or plagiarism must be reported to the Principal/Vice-Principals, and parents/guardians by the classroom/subject teacher.

For students in grades 9 to 12, if a student is found to have intentionally cheated and/or plagiarized on a mid-term examination, or final examination, or any other assignment that is part of the thirty (30) per cent of the grade for final evaluation, the student will receive a mark of "0" on the evaluation and an opportunity to rewrite will not be provided.

COMMUNICATION AND MAPLEWOOD MARKBOOK REPORTS

Communication of student progress to students and parents/guardians is essential in supporting academic success. Maplewood Markbook reports are provided to students throughout the semester to bring home to parents/guardians. Markbook reports will be sent home prior to midterm Parent-Teacher-Student Conferences held after six weeks of classes in each semester (see Important Dates page). Parents/guardians may also request Markbook reports at any time throughout the school year. Teachers may request that the reports be returned signed by a parent/guardian to ensure parents/guardians are aware of their child's progress

EDUCATION QUALITY AND ACCOUNTABILITY OFFICE (EQAO)

GRADE 9 ASSESSMENT OF MATHEMATICS

The Grade 9 assessment of mathematics evaluates the math skills that students are expected to have learned by the end of Grade 9, according to the Ontario Curriculum. Different versions of the assessment are administered in the academic and applied math courses. The assessments will be administered near the end of each semester according to administration dates set by EQAO.

ONTARIO SECONDARY SCHOOL LITERACY TEST (OSSLT)

The OSSLT evaluates the literacy skills students are expected to have learned across all subjects up to the end of Grade 9, according to the Ontario Curriculum. All students working toward an Ontario Secondary School Diploma (OSSD) must take the OSSLT. The OSSLT is a minimum-competency test. Successful completion of the OSSLT is the primary way to satisfy the literacy requirement for the OSSD. Students who are unsuccessful on the OSSLT have not satisfied the literacy requirement for graduation. Students may write the OSSLT more than once, however. Students who are unsuccessful on the OSSLT at least once may be eligible to take the Ontario Secondary School Literacy Course (OSSLC) in order to satisfy the literacy graduation requirement.

For students who are unsuccessful on the OSSLT, it is particularly important for teachers and parents to discuss how to work together to close learning gaps before the end of high school. The OSSLT will be administered to students in 2021 (specific date yet TBD by the Ministry of Education shortly).

ASSESSMENT, EVALUATION, AND ACADEMIC INTEGRITY

EXAMINATIONS

Examinations shall be 1.5 hours to 2 hours in length. In some courses, a final examination is not required and will be replaced by additional project(s), performance tasks, or a practical examination. Formal examinations will not be rescheduled to accommodate vacation or student work schedules. Cell phone use during examination periods will result in an automatic zero and will be confiscated and kept in the main office until a parent/guardian comes to retrieve the phone. A student who fails to appear at the assigned time without a medical certificate, or other reasons deemed acceptable by the Principal will be given a mark of zero.

FAMILY-FRIENDLY HOMEWORK

The Niagara Catholic District School Board promotes a family-friendly approach to homework that supports the work that students do at home to practice skills, consolidate knowledge and skills, and/or prepare for the next class.

In keeping with this family-friendly homework approach, students will not be assigned homework for completion during statutory/Board holidays and Professional Activity Days as noted on the Board's school year calendar. Furthermore, students will not be expected to submit or participate in an assessment for evaluation within three (3) school days following a statutory/Board holiday or Professional Activity Day.

LATE AND MISSED ASSIGNMENTS

Students must understand that there will be consequences for incomplete assignments and/or for submitting late assignments.

When effective preventative strategies have been implemented by the teacher to prevent and/or address late and/or missed assignments, a teacher may, in consultation with the student, parents/guardians and, Principals/Vice-Principals deduct marks for late and/or missed assignments.

In Grades 9 to 10, late and/or missed assignments for evaluation will be noted on the report card as part of the evaluation of the student's development of the learning skills and work habits.

For Grades 9 and 10, mark deduction will be limited to two (2) per cent per day to a maximum of ten (10) per cent total deduction according to the professional judgement of the teacher.

For Grades 11 and 12, mark deduction will be limited to three (3) per cent per day to a maximum of fifteen (15) per cent according to the professional judgement of the teacher.

The expectation is that students will use their non-class time to complete late and missed assignments.

ASSESSMENT, EVALUATION, AND ACADEMIC INTEGRITY

MID-TERM AND FINAL REPORT CARDS

Mid-Term and Final Report Cards will be issued or mailed to students during each semester. Please refer to the Important Dates page for distribution information.

REPORTING

Teachers will communicate with parents/guardians for a variety of academic and/or behavioural reasons. Parents/guardians are free to contact the teacher at any point during the semester. Secondary Progress Reports will be issued to students after the first three weeks of each semester to all Grade 9 students and also any Grade 10, 11 and 12 students who are at risk of failing a course.

REPORTING STUDENT ACHIEVEMENT

For Grades 9 to 12, a final grade (percentage mark) will be recorded for every course. The final grade will be determined as follows:

- seventy (70) per cent of the grade will be based on evaluation conducted throughout the course. This portion of the grade should reflect the student's most consistent level of achievement throughout the course, although special consideration should be given to more recent evidence of achievement;
- thirty (30) per cent of the grade will be based on a final evaluation administered at or toward the end of the course. The final evaluation allows the student an opportunity to demonstrate comprehensive achievement of the overall expectations for the course. This evaluation will be based on evidence from one or a combination of the following: an examination, a performance, an essay, and/or another method of evaluation suitable to the course content as determined by the teacher following the guidelines for the subject area.

Teachers will assign a percentage mark on report cards to indicate achievement below fifty (50) per cent, ranging from thirty (30) to forty-five (45) per cent, in the professional judgement of the teacher.

For mid-term report cards a mark below thirty (30) per cent will not be recorded.

For final report cards the actual final mark earned by the student will be recorded. A mark between forty-six (46) and forty-nine (49) per cent will not be issued.

CO-CURRICULAR ACTIVITIES

The activity, however, must never be an excuse for unauthorized absences from class or from fulfilling academic requirements.

CO-CURRICULAR INVOLVEMENT ACADEMIC ELIGIBILITY

All students participating in athletics or any other co-curricular activity must meet the following criteria for academic standing, attendance, and behaviour.

- A student must be a full-time student in order to participate in any co-curricular program.
- Full-time status is defined as a minimum of three courses per semester, unless a student has accumulated 28 credits. If a student has failed two or more credits in the last formal reporting period, the student's eligibility will be reviewed by the school administration.

A student may be asked to withdraw from a team or club if the above requirements are not met.

GYMNASIUM/WEIGHT ROOM USE

For the safety of our students, our school gymnasium is available for supervised physical activities only. VAPING

An e-cigarette is an electronic cigarette that is battery operated. It heats and turns e-juice into a vapour that one inhales. Is commonly referred to as vaping. It is not a tobacco product but may contain nicotine. The e-cigarette is perceived as safer and less harmful and acts as a gateway to tobacco cigarettes. It can lead to nicotine addiction and can be used for nicotine and other substances including marijuana. E-cigarettes contain chemicals that could be harmful (ultra-fine particles that can be inhaled deep into the lungs, flavorants such as diacetyl, a chemical linked to serious lung disease, and heavy metals, such as nickel, tin, and lead). All components of e-cigarettes (vapes) are prohibited to be sold to those under 19 years of age (including e-juice). Students who are caught vaping on school premises may be suspended. As of Oct. 17, 2018, it's prohibited to use an e-cigarette (vape) in public places according to the regulations of the Smoke-Free Ontario Act including schools, on school grounds, and in all public areas within 20 m of the school perimeter. Minimum fine is \$305 issued by Tobacco Enforcement. Minimum fine for supplying an e-cigarette (vape) to an underage person is \$495.

Where inappropriate student behaviour constitutes a violent incident, a Violent Incident Form (Appendix A) must be completed by the Principal, filed and retained in the student's Ontario Student Record and shall not be removed unless three consecutive years have passed during which no further suspensions for serious violent incidents have taken place. If a staff member observes misuse or abuse of the cell phone privilege, the phone may be given to the Vice Principal, who will arrange for the return of the phone and may receive a consequence. If a student repeatedly abuses the cell phone privilege, the student may be suspended for opposition to authority.

COMPUTER USE

Every member of the Niagara Catholic District School Board has two basic rights regarding computer use - privacy and a fair share of resources. It is unethical for any person to violate these rights with the exception of personnel authorized by the school or school board who may, on occasion, have due cause to examine files (e.g. for system maintenance, or to investigate improper use).

Interfering with the privacy of others, using an unfair share of computer resources, using computer resources in an illegal act, or using computer resources to harass or threaten another will result in disciplinary action which may include loss of computer privileges, withdrawal from class, loss of credit, suspension, police involvement and/or criminal charges.

SOCIAL MEDIA

Social media can be a powerful tool in encouraging dialogue and in supporting learning. However, it is important to remember that electronic messages are not anonymous. These can be tracked, misdirected, manipulated and live forever on the Internet. Social media sites create and archive copies of every piece of content posted, even when deleted from online profiles. Once information is digitized, the author surrenders all control. The use of social media is not appropriate to address conflict.

When using social media, THINK Digital Discipleship:

T is for **Technology** as a Tool

Technology is more than a network of wires. Technology has provided us with the gift of social media, allowing us to communicate with networks of people.

H is for our **Human Family**

As humans interacting in the digital world, we need to consider how, when and what we communicate to others, including when to be silent and listen. We need to remember that we are all part of the human family and need to treat each other with dignity and respect online.

I is for **Information**

The digital world contains a growing amount of information that challenges us to be reflective and evaluative of what we are reading, viewing and sharing as Catholic people.

N is for **Neighbourliness**

Pope Francis describes the power of communication as “neighbourliness” - communication is about realizing we are all children of God and we should treat each other as neighbours, one family in Christ.

K is for **Knowledge**

As digital disciples, we know that how we interact online is a reflection of who we are as followers of Jesus Christ. We know that our interactions leave a digital footprint and therefore must promote unity and harmony for all those we encounter in the digital environment.

WIFI ACCESS

Secondary students will include the first two initials of their school followed their edu\username.

Examples: Blessed Trinity = btedu\username, Saint Paul = spedu\username, Saint Michael = smedu\username.

Once approved, students 18 years of age or older are permitted to sign notes explaining their absences, lates and dismissals. All absences from school, like non-age of majority students, must be in accordance with acceptable reasons for missing school.

ATTENDANCE

Except in cases of emergency, students should only be absent from class when they are too ill to attend: "a child is excused from attendance at school if the child is unable to attend school by reason of sickness or other unavoidable cause." (Education Act, Section 21).

When a parent requests that the child be excused from school, the Principal will make the final decision to excuse the student: "A pupil may be excused by the Principal from attendance at school temporarily at any time at the written request of a parent of the pupil or the pupil where the pupil is an adult." (Reg. 298.23.(3)). Medical notes will be required if absences become excessive. The Attendance Policy will be initiated at 15 consecutive absences or patterns of absences or lates.

The student must pick up a "Vacation/Extended Absence" form from the Attendance Office or Vice Principal and return the form signed by the parents and each of his or her teachers. If a "Vacation/Extended Absence" form is not used at the school, then any vacation or extended absence must be cleared with Administration.

The Principal may, under the powers of the Education Act, deny a request for extended absence. Extended absence will not be approved if it interferes with the student's presence for scheduled final examinations.

LATES - PERIOD ONE

Students arriving before 8:30 a.m. should proceed directly to class and be dealt with by the classroom teacher. Students arriving to school any time after 8:30 a.m. should come to the attendance office for an admit slip to present to their teacher upon arrival.

STUDENT ATTENDANCE

LATES - AFTER PERIOD ONE AND BEYOND

- On the **first and second late** to class, the teacher assigns a consequence for the student (e.g. detention, assignment).
- On the **third late** to class, the teacher assigns a consequence for the student and parental contact is made.
- On the **fourth and subsequent lates** to class the teacher refers the student to the Vice Principal. Lunch and/or after-school detentions will be assigned. If the problem becomes persistent the student may be suspended or alternative consequences applied.

This applies to bus transportation to and from school, on school trips or to and from sporting events. All misbehaviour will be reported to the Vice-Principal. Bus transportation is available to students who live more than 2.5 km from the school.

Late bus transportation is provided at varying departure times throughout the year only for students who are involved in some form of co-curricular activities, get extra help after school (P3) or have served a detention. GENERAL INFORMATION

DANCES

The Provincial Code of Conduct applies fully at all school activities, including dances. All consequences described in the policy apply as well as the possibility of losing the privilege of attending school dances. Admission is open to all students in good standing, who were in full attendance at school on the day of the dance.

The following policies also apply to dances:

- The Principal, Vice-Principal and the supervising teachers may refuse admission to any person
- Students will be screened on entry and any student not cooperating with this safety measure will be refused admission
- The Principal or Vice-Principal may remove any person from the dance and contact parents/guardians to pick up their child from school property
- Food or drink of any kind is not to be taken into the dance
- Anyone whose actions and/or language clearly indicates that he/she is under the influence of any drug or intoxicant will be refused admission or removed from the dance. No drinking/consumption of alcohol, of any amount or smoking on school property is permissible
- Once a student has exited the dance they will not be allowed back in
- All outside coats and jackets must be checked since students will not have access to their lockers
- Students are expected to dance in a respectable manner. Dancing that is inappropriate, being overtly provocative in nature, or creates unsafe conditions is not allowed. School officials reserve the right to make decisions about appropriate dancing.
- The school "out of uniform" dress code policy is in effect at all school dances. Administration reserves the right to make decisions on student dress based on appropriateness.

D. E. A. R.

The D. E. A. R. program asks everyone in the school to "drop everything and read". The school is sending a clear message that time spent reading recreationally and academically can improve opportunities for success. Students should bring appropriate reading materials such as novels, magazines, newspapers, and research books.

ELEVATOR

An elevator is available for students who are physically unable to use the stairs, either for a short-term situation (e.g. leg injury) or on a regular basis. For those students who need use of the elevator on a temporary basis, arrangements are to be made with a secretary in the main office.

HALLWAY CONDUCT

Students must practice common courtesy while moving in the hallways and stairways. Loitering by lockers, washrooms and doorways must be avoided at all times. Proper language and a normal conversational level of voice are to be used at all times. Everyone is responsible for maintaining the cleanliness of the hallways. Students engaging in physical signs of affection will be reminded that this type of public behaviour is inappropriate and unacceptable.

GENERAL INFORMATION

LIBRARY INFORMATION CENTRE (LIC)

The Library Information Centre (LIC) offers access to a variety of print and the use of the internet. Use of the internet is to be dedicated to educational research and is to be used responsibly. Photocopy and printing services are available for a nominal fee. Overdue materials are subjected to a fine per day. Students will be responsible for the replacement cost of lost or damaged items. It is expected that student conduct in the LIC will be conducive to an atmosphere of study. The LIC exists as a resource for the benefit of the entire school and any behaviour deemed detrimental to such a goal can result in the suspension of student privileges.

LOCKERS

Lockers and school-approved locks are assigned to each student, and remain the property of the school and school board. Students are **NOT permitted to change locker assignments without the approval of the administration**. Students are requested to protect their property by keeping the locker locked when not in use. Students are not to post lewd or offensive materials inside their lockers and are not to deface or write on or in their lockers. Administration may open a locker for inspection with or without the permission of the student at any time. A student using an unassigned locker or lock other than a school assigned lock will have the lock cut off, the contents removed and will be called to the office. Any requests for another lock or lost lock will require the student to pay for a replacement.

MESSAGES

Messages from parents/guardians will be relayed to students at the end of the school day or at lunch, not during class. Emergencies, however, will always be dealt with promptly. We ask that parents/guardians refrain from contacting students on cell phones during class time.

STUDENT DROP-OFF / PICK-UP

We understand that not every student is bussed or walks to school and at intervals during the school year a student may need to be picked-up or dropped-off at school. Parents are asked to respect the traffic route established by entering our appropriate area for student drop-off/pick-up. At no time are vehicles to be parked in this zone as this represents a potential safety, emergency access, and congestion issue.

STUDENT PARKING

The school supplies bussing for student transportation and cannot provide sufficient parking for students who decide to drive to school. Unauthorized parking may result in the vehicle being towed away at the student's expense. Drivers are asked to keep their vehicles locked. We cannot assume responsibility for losses or damages. Students are not to sit in their vehicles during the school day or play music from their car radios. No smoking is permitted in vehicles at any time. Drivers should abide strictly by all traffic regulations. The speed limit in the parking lot is 10 km per hour. Parking privileges can be revoked at any time. Students who violate these guidelines will be prohibited from driving to school. The school reserves the right to search student vehicles, parked on school property, if needed. Some schools may require that the vehicle is registered with the Main Office.

STUDENT SERVICES

ACTIVITY FEES

Registration fees are collected from students to cover the cost of yearbooks, student handbooks, lock replacement, student card some student activities, clubs, teams, and special events.

COMMUNITY AGENCIES/SERVICES

There are a variety of times when you, or someone close to you, may need help. During these times, in addition to parents/guardians and staff at the school, help is available from a variety of sources. In dealing with the issues, it is important that you are honest with the person you seek help from and inform them of all the facts. If someone you know is struggling, you have a moral responsibility to try to help them. If you are unable to provide help, inform someone who may be able to. Please refer to the Niagara Mental Health Programs and Services Directory section to obtain further information.

GUIDANCE

The guidance program is a vital and integral part of the total school curriculum. It is a composite of the school's instructional, counselling, consulting, coordinating and liaison activities that are designed and implemented to assist student orientation, program choices and preparation for the next level of education or entry into the world of work.

Students are counselled individually to review course selections, progress, educational and career plans. Group presentations may also take place throughout the school year regarding careers, post-secondary school planning, course selections and educational needs assessment. Individual counselling regarding personal and social concerns is provided when a need arises.

P3 PATHWAYS PREPARATION PROGRAM

Niagara Catholic District School Board secondary school's offers P3 as an after-school program to address the curricular needs of students in Grades 9-12. P3 allows students the opportunity to practice their literacy and numeracy skills, develop test-taking strategies, upgrade study skills, and receive direction on potential pathways from a teacher-mentor. The program also provides support to students wishing to improve their current academic standing.

PEER TUTORING PROGRAM

Peer tutoring is a school run program that pairs academically struggling students with a student of expertise in a particular subject area. The peer tutoring assistance is generally conducted out of the P3 program.

SPECIAL EDUCATION

Special education programs at Niagara Catholic District School Board Secondary Schools are designed to ensure universal access and accommodations of individual differences to the greatest extent possible. The needs of each individual exceptional pupil, whether behavioural, communicational, intellectual (including gifted), or physical, as defined by an Identification, Placement and Review Committee (IPRC) of the Board will be met.

Communication involving parents, resource persons, community agencies or others may occur in order to best determine student needs for programming. The program will be regularly assessed and evaluated with the results being communicated to parents on a regular basis.

EMERGENCY AND MEDICAL INFORMATION

ACCIDENTS

A student who is injured should be brought to the Main Office, if possible. In all cases, the Main Office must be notified and proper action taken. Under no circumstances should a student who has injured his/her back or neck be moved.

ADMINISTRATION OF ORAL MEDICATION TO STUDENTS UNDER THE AGE OF 18 POLICY #302.2

In accordance with the Ministry of Education Policy/Program Memorandum No. 81 Provision of Health Support Services in School Settings, all school boards will be responsible for the administration of oral medication where such medication has been prescribed during school hours.

- That such procedures be applied only to those services, requested by the parent and prescribed by a physician or other health care professional, which must be provided during school hours.
- That a request for the service and the authorization to provide such service be made in writing by the parent and the physician, specifying the medication, the dosage, the frequency and method of administration, the dates for which the authorization applies, and the possible side effects, if any.
- That the storage and safekeeping requirements for any labeled medication be stated.
- That a record of administration be maintained which includes the pupil's name, date, time of provision, dosage given, name of person administering, etc.
- That the telephone numbers of the parent and physician be readily accessible.
- That the medication be administered in a manner which allows for sensitivity and privacy and which encourages the pupil to take an appropriate level of responsibility for his or her medication.

ANAPHYLAXIS POLICY #302.1

Anaphylaxis is a severe life threatening form of allergic reaction. Anaphylactic reactions occur when the body's immune system overreacts in response to the presence of an allergen. An allergen is a substance capable of causing an allergic reaction (eg. foods, insect stings, latex, medications etc). The principal of the school should be informed in writing by a parent that a child suffers from anaphylaxis, the expected symptoms and the requested intervention by school staff. An EpiPen or other medication is to be provided to the school to be kept in the office in case of an emergency.

ASTHMA POLICY #302.9

Asthma is a common lung disease making it difficult to breathe. Employees of the Board may be pre authorized to administer medication or supervise a student while the student takes medication in response to an asthma exacerbation with the consent of the parent/guardian or student. If an employee of the Board has reason to believe that a student is experiencing an asthma exacerbation, the employee may administer asthma medication even if there is no authorization.

CONCUSSION POLICY #303.1

The Niagara Catholic District School Board recognizes concussions as a serious injury which requires appropriate follow-up measures to reduce risk of potential additional injury.

EMERGENCY AND MEDICAL INFORMATION

Concussion awareness, prevention, identification and management are a priority for the Board. The implementation of the Board's Concussion Policy and Administrative Guidelines is another important step in creating healthier schools in the Niagara Catholic District School Board. Immediate action must be taken by the individual (e.g. principal, teacher, coach) responsible for the student if the student receives a blow to the head, face or neck, or a blow to the body that transmits a force to the head.

DIABETES MANAGEMENT POLICY - 302.1.3

Diabetes is a disease of the pancreas where a person is unable to create insulin or use insulin that is produced. The ultimate responsibility for diabetes management rests with the parent(s)/guardian(s), the student, the principal and the medical practitioner. The policy outlines the procedures in developing a student diabetes management plan, including roles and responsibilities of school staff, parent(s)/guardian(s) and students and supporting documentation.

EPILEPSY POLICY - 302.1.4

Epilepsy is a common brain disorder characterized by recurrent seizures. The policy outlines the various types of seizures and symptoms as well as safety considerations for schools. An *Individual Plan of Care* to deal with emergency response situations should be put into place for individual students for all situations.

EMERGENCY PROCEDURES

FIRE

It is critical that everyone treats all fire alarms seriously and moves as quickly and orderly as possible to vacate the building immediately when an alarm sounds. Fire drills will be held regularly during the school year. Wilful false alarms are a criminal offence, and are punishable by a fine, a jail term or both. The Fire Department will prosecute offenders to the full extent of the law.

IF YOU HEAR THE FIRE ALARM

- Leave the building using the closest exit, or the exit route specified for the classroom and close doors
- If you encounter smoke in an exit, use an alternate exit
- Follow the directions of staff members
- Report to your teacher in the designated area and remain in that area until instructed to return to the building.

HOLD AND SECURE

Niagara Catholic District School Board Secondary Schools will also run random Hold and Secure drills. This drill is performed when a threat exists outside of the school and all members of our school community are kept indoors.

LOCK DOWN

At various times throughout the school year Niagara Catholic District School Board Secondary Schools will test emergency procedures by conducting Lock Down Drills. A school call out or letter will inform parents when these drills will occur. A lockdown is a drill simulating a threat inside the building.

VOLUNTARY INDIGENOUS SELF-IDENTIFICATION

Voluntary Indigenous Self-Identification for First Nations, Metis and Inuit Students

What is Voluntary Indigenous Self-Identification?

Under Ontario's First Nations, Métis, and Inuit Education Policy Framework, Niagara Catholic District School Board encourages all Indigenous students to self-identify as part of a VOLUNTARY AND CONFIDENTIAL process. According to the Ministry of Education, the information will help school boards improve programs and supports for Indigenous students and enable them to focus their efforts on student achievement.

Niagara Catholic uses information gathered from the *voluntary* self-identification form to support Indigenous students through:

- ☐ Access to culturally relevant materials and programs in schools, which allow Indigenous students to see themselves reflected in the learning materials.
- ☐ Gathering academic information that will help support the unique learning needs of Indigenous students within our schools.
- ☐ Access to cultural events offered to Indigenous students throughout the school year, for example, Indigenous Career Day, First Nations, Metis, Inuit leadership or cultural camps, etc.
- ☐ Information about career and educational funding (bursary and grant) opportunities that are specific to individuals of Indigenous heritage.

History of Indigenous Education through Niagara Catholic

In 2007 the Ministry of Education, under the Ontario First Nation, Métis and Inuit Education Policy Framework, identified Aboriginal* education as one of its key priorities with two specific goals: Improving First Nations, Metis, Inuit achievement among students; and to close the gap between Indigenous and non-Indigenous students in the following areas:

- ☐ literacy and numeracy,
- ☐ retention of students in school,
- ☐ graduation rates, and
- ☐ advancement to post-secondary studies.

In response to a Ministry directive, the Aboriginal Education Advisory Committee (AEAC) was established in Niagara in 2009. The Committee was renamed the *Indigenous Education Advisory Committee (IEAC)* in 2016. The IEAC is a partnership between Niagara Catholic District School Board and the District School Board of Niagara, supported by a number of community-based Indigenous partner agencies; including: Aboriginal Student Service Departments at Brock University and Niagara College, Fort Erie Native Friendship Centre, Inuit Council (Niagara Region), Niagara Chapter — Native Women Inc., Niagara Peninsula Aboriginal Area Management Board (NPAAMB), Niagara Region Métis Council, and Niagara Regional Native Centre.

VOLUNTARY INDIGENOUS SELF-IDENTIFICATION

* Note: the term *Aboriginal* continues to be used in some government documents, however, the preferred term among the Community is *Indigenous* when referring to people of Métis, Inuit and First Nations heritage.

Terms used to describe the original people of Turtle Island (North America) have evolved over time with some becoming outdated and others misunderstood. Here are some basic definitions to help students self-identify and promote general awareness.

First Nations

First Nations refers to the original people on this land; separate from the Inuit. In Canada, the history of First Nations people is interwoven with the creation of the *Indian Act* (1876). People of First Nations heritage may be referred to as *Status* or *Non--Status*.

Status, refers to people who identify with a First Nation community-ancestral land and are registered with the government of Canada through the *Crown-Indigenous Relations and Northern Affairs Canada* (CIRNAC). *Non-Status*, refers to people who identify with a First Nation community-ancestral land but are not registered through CIRNAC.

* *There are more than 600 distinct First Nations and 50 First Languages across Canada. Images included (above) represent Anishinaabe and Haudenosaunee Nations.*

Inuit

Inuit have a variety of terms to describe themselves depending on their dialect or region. However, the term "Inuit" is commonly used as it means "the people" in Inuktitut which refers to the original people from the northern circumpolar regions that include Canada's Arctic, Alaska, Greenland and Russia.

Métis

The *Métis* are a distinct Indigenous people with a unique history, culture, and language, creating their own customs, practices and traditions separate from their First Nations, Inuit, and European ancestors.

The term *Métis* refers specifically to people who have historic connection to *Métis* homeland. It does not refer to all individuals of mixed Indigenous and European heritage.

Niagara Catholic District School Board encourages parents/guardians of students who voluntarily self-identify to contact Niagara Catholic's Indigenous Lead (email: Indigenous.Lead@ncdsb.com) to learn how their child can participate in Indigenous cultural opportunities offered by the Board throughout the school year. We also seek parent representation at the Indigenous Education Advisory Committee (IEAC) representing the voice of Indigenous families in Niagara on behalf of students enrolled with Niagara Catholic District School Board.

SPECIALIST HIGH SKILLS MAJOR

EXPERIENCE YOUR FUTURE TODAY!

WHAT IS AN SHSM?

The Specialist High Skills Major (SHSM) program, which is part of the Ministry of Education's Student Success initiative in the province of Ontario, has been introduced to offer province-wide specialized programs in specific ministry-identified sectors to support the success of all students. Ontario secondary schools are offering expanded programs to help meet students' individual learning styles and interests. These options include Dual Credits, Specialist High Skills Majors and Cooperative Education. These programs help to meet the needs, interests and strengths of all students, engaging them in learning and better preparing them for graduation and beyond.

Students who choose an SHSM designation learn through co-operative education and experiential learning placement within the community. Students who complete an SHSM designation can be confident when they leave high school that they are equipped with the knowledge, skills, and industry-recognized qualifications desired by employers and post-secondary institutions. Niagara Catholic is proud to be partnered with many local businesses and agencies within the Niagara Region to offer its students rich and diverse opportunities to gain practical experience and expertise in their chosen career fields.

Core Components

- **Bundled Credits:** Each SHSM program offers students a bundle of 8-10 Grade 11 and Grade 12 credits. The credits include: 4 "major" credits in their area of interest, English and Mathematics, other elective courses in Science, Business or Social Sciences that are designed to complement the major courses, and at least 2 co-op courses related to their SHSM.
- **Sector-Recognized Certifications:** Related to the major and selected from a list, both generic and specific to support the sector (i.e. WHMIS, First Aid, Fall Arrest).
- **Experiential Learning Opportunities:** Which includes: Job-shadowing, job-twinning, work experience, cooperative education, field trips and other workplace experiences for students to explore careers related to that sector.
- **Reach Ahead Experiences:** In the field and sectors considered as a post-secondary destination, ranging from a few hours to full courses (e.g. Dual Credit program).

WHAT IS AN SHSM?

What advantages do SHSM students have?

- HEAR and SEE ...first-hand what a career in their sector feels and looks like
- NETWORK... with post-secondary institutions, local industries, and businesses
- GAIN... confidence in their ability to succeed
- COMPLETE... industry recognized certifications and training
- OPEN... doors for summer jobs and future employment
- EARN... a Red Seal designation on their OSSD

What does the Red Seal mean?

- Employers and post-secondary institutions recognize that a student has participated in specialized, career focused programming.
- SHSM students receive an additional transcript outlining their accomplishments.

Can I register to be a SHSM student even if I am doubtful that I will complete all the required components?

- Yes, if you are interested in a possible career related to a SHSM sector, you can register for that SHSM.
- Even if you do not complete all the components of the SHSM, you will still benefit from certification training, field trips and other learning experiences related to the SHSM. You will also receive a summary of all your completed SHSM components when you graduate.

I am in grade 12. I have not taken some of the grade 11 courses specified in the SHSM pathway chart. Can I still get my SHSM designation?

- You will not get your SHSM designation until you have completed ALL the courses in the SHSM pathway chart both in grade 11 and grade 12. You can speak to your guidance counsellor for more information.

WHAT IS AN SHSM?

Can I return for an additional term and complete my SHSM after I graduate?

- Yes, you can complete your SHSM any time after you graduate.
- Upon completion of the required components, you will receive an official SHSM summary sheet showing that you completed the SHSM.

I am a university-bound student who needs specific courses. How can I fit a co-op course in my timetable?

- You have several options: after school co-op, summer co-op, or you can take a grade 11 SHSM major course during grade 10. This will leave two credits open for co-op in grade 12.

How are SHSM students at an advantage in their application to University?

- Many post-secondary applications to University have opportunities for supplemental applications. There are programs that traditionally require portfolios and/or interviews. Many of these are in the Arts which would be an advantage for the Arts and Culture SHSM. Some programs in Radio and Broadcasting, Communications, Journalism, Business and Architecture also require supplemental information.

What if after starting the program the student decides this is not for them?

- All credits earned in an SHSM program count towards the completion of a standard OSSD.
- Any certifications or training gained will hold students in good standing for part-time jobs or work placements.
- Co-op is a valuable experience, allowing a student to discover what they like doing and just as importantly, what they don't like doing.

Please see your school Guidance Department for more information.

CREATING PATHWAYS TO SUCCESS:

*An Education and Career/Life Planning Program for Ontario Schools
(Ministry of Education, Policy and Program Requirements, Kindergarten to Grade 12 - 2013)*

Creating Pathways to Success sets out the career development policy and program for Ontario schools from Kindergarten to Grade 12. The program is designed to help students achieve their personal goals and become competent, successful, and contributing members of society. This policy describes a whole-school approach that is delivered through classroom instruction linked to the curriculum and through broader school programs and activities- including experiential learning opportunities.

The planning framework introduced in the document focuses on students' self-discovery and self-knowledge and on their creative use of this knowledge in the exploration of opportunities and the planning of pathways for education, career, and life. ***Creating Pathways to Success* puts students at the center of their own learning, viewing them as the architects of their own lives.** Students are encouraged to discover who they are, explore opportunities, pursue their passions, and design personal pathways to success. They are encouraged to express their insights in individual ways and to keep track of what they discover about themselves and their interests, passions, and opportunities over time.

MONTHLY PLANNER

THE LITURGICAL/CHURCH CALENDAR

THE LITURGICAL OR CHURCH CALENDAR AND OUR SECULAR CALENDAR ARE NOT IDENTICAL. WHILE OUR CIVIL CALENDAR BEGINS ON JANUARY 1ST, THE CHURCH YEAR BEGINS ON THE FIRST SUNDAY OF ADVENT. THE 'SEASONS' OF THE LITURGICAL CALENDAR, HIGHLIGHT SIGNIFICANT EVENTS IN THE LIFE OF JESUS AND CHRISTIANS. THE COLOURED LITURGICAL BANNERS IN OUR ATRIUM AND DÉCOR IN THE CHAPEL WILL HELP YOU TO IDENTIFY THE CHURCH SEASON WE ARE CURRENTLY CELEBRATING.

THE SCHOOL YEAR BEGINS DURING A PERIOD OF ORDINARY TIME (GREEN) A PART OF THE LITURGICAL YEAR WHEN WE HEAR AND LEARN ABOUT THE MANY MIRACLES, HEALINGS AND WORKS OF JESUS DURING HIS MISSIONS ON EARTH. THERE ARE TWO BLOCKS OF ORDINARY TIME IN THE LITURGICAL CALENDAR. THE FIRST FALLS BETWEEN THE SEASONS OF CHRISTMAS AND LENT AND THE SECOND BLOCK INCLUDES THE WEEKS BETWEEN EASTER AND ADVENT.

THE SEASON OF ADVENT (PURPLE) IS A SONS OF WAITING AND PREPARING FOR THE BIRTH OF CHRIST. IT BEGINS OF THE FOURTH SUNDAY BEFORE CHRISTMAS AND ENDS ON CHRISTMAS EVE.

THE CHRISTMAS SEASON (WHITE/GOLD) IS OF COURSE THE CELEBRATION OF JESUS' BIRTH AND GOES FOR TWELVE DAYS FROM CHRISTMAS EVE UNTIL THE FEAST OF THE BAPTISM OF THE LORD.

LENT (PURPLE) IS THE SEASON OF REPENTANCE. IT BEGINS ON ASH WEDNESDAY WHEN WE RECEIVE ASHES WITH THE WORDS, "TURN AWAY FROM SIN AND TURN TOWARDS GOD". LENT IS FORTY DAYS LONG ENDING UNTIL SUNDOWN ON HOLY THURSDAY. TRADITIONALLY WE ARE ENCOURAGED TO 'GIVE UP' SOMETHING AS A SIGN OF DISCIPLINING OURSELVES TO MAKE MORE ROOM FOR GOD IN OUR LIVES. IT IS ALSO A GOOD IDEA TO 'DO SOMETHING' MORE TO BRING GOD IN YOUR LIFE AND THE LIFE OF OTHERS.

THE PASCHAL TRIDUUM IS THE MOST SIGNIFICANT CELEBRATION OF THE CHURCH YEAS AS WE REMEMBER THE INSTITUTION OF THE EUCHARIST (HOLY THURSDAY), THE PASSION AND DEATH OF OUR LORD (GOOD FRIDAY) AND HIS RESURRECTION (EASTER VIGIL).

THE EASTER (WHITE/GOLD) SEASON IS FIFTY DAYS LONG AND CONTINUES TO CELEBRATE THE RESURRECTION OF OUR LORD AND SAVIOUR, ENDING ON THE FEAST OF PENTECOST, COMMEMORATING THE DESCENT OF THE HOLY SPIRIT ON THE APOSTLES. PENTECOST IS THE BIRTHDAY OF THE CATHOLIC CHURCH.

The background of the image is an abstract composition of flowing, wavy lines in various shades of yellow and white. The lines create a sense of movement and depth, with some areas appearing more saturated than others. The overall effect is bright and energetic.

Ten Top Tips for Academic Success

1. **Location, location, location ...**
If you're serious about getting work done, find a place that's relatively free of distractions .
2. **Make It A Habit: Work Every Day**
Spend time on your studies each day and you can stay on top of your courses and still have fun.
3. **Help Exists! Seek It Out And Improve Your Grades**
You can strengthen your learning skills. Find out if your courses have after school help sessions.
4. **Write It Down**
Remember important dates. Record due dates for assignments and test dates.
5. **Get Energized - Eat, Exercise, Sleep**
When you're hungry, tense or tired, your brain can't function at its full potential. It's crucial to eat well, exercise and get adequate sleep.
6. **Go To Class Prepared And Take Good Notes**
Don 't fall into the habit of missing class. Take a thorough set of notes; you'll be thankful at test time.
7. **Classes And Textbooks: What's The Big Picture?**
Many unsuccessful students see a course as "a lot of stuff to memorize." Routinely ask yourself, "What's the purpose of this detail?" and "Where does it fit in the big picture?"
8. **Do Something (Anything!) To Remember Key Information**
Generate examples. create mnemonics, make summary notes, and identify key words. Be creative and interested and you're more likely to be awesome at test time.
9. **Think You'll Remember Key Points? Prove It.**
Before a test, make sure that you can recall important information from memory. Self-test by recalling information without looking at notes or textbooks and by doing practice examples if available.
10. **Be Test Smart**
Carefully read instructions, budget time, and do less difficult questions first to build confidence.

enjoy the
little things
in life
for one day
you'll look back
and realize
they were the
big things

Everytime you smile at someone, it is an action of love, a gift to that person, a beautiful thing.

(Mother Teresa)

I'VE LEARNED THAT

people will **forget**
what you said,
people will forget

WHAT YOU DID,
but people will **never forget,**
HOW YOU MADE THEM FEEL

"I plead with you--never,
ever give up on hope,
never doubt, never tire,
and never become
discouraged.
Be not afraid."

-St. John Paul II

Everything in your life
is a reflection of a choice
you once made. If you
want different results,
make different choices.

Whenever you
find yourself
doubting how
far you can go,
just remember
how far you
have come.
Remember
everything you
have faced, all
the battles you
have won, and
all the fears
you have
overcome.

Forgiveness is above all a personal
choice, a decision of the heart to go
against the natural instinct to pay
back evil with evil.

— Pope John Paul II —

5 Lessons in Life from Dr. Seuss

1. Today you are You, that is truer than true. There is no one alive who is Youer than You.
2. Why fit in when you were born to stand out?
3. You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose.
4. Be who you are and say what you feel, because those who mind don't matter and those who matter don't mind.
5. Today I shall behave, as if this is the day I will be remembered.
