# **APPLYING TO A SCHOOL OUTSIDE OF ONTARIO**

- If you are interested in applying to a school **outside of Ontario**, you must apply directly to that school.

- The best thing to do is to check out that **school's website**.

If you are applying to an  
**American School** you most  
likely have to complete the  
**SAT Test.**

SAT information is available in  
Student Services or at  
[www.collegeboard.com](http://www.collegeboard.com)

**You will be making very important  
and difficult decisions this year.**

**Being prepared is the best way to  
deal with the choices you have.**

**Be organized, be informed, research,  
and ask questions!!!**
