Adopted Date: June 26, 2001

Latest Reviewed/Revised Date: March 20, 2023

In keeping with the Mission, Vision and Values of the Niagara Catholic District School Board, the following are Administrative Operational Procedures for Christian Community Service.

PREAMBLE

The Ministry of Education mandates that all secondary students must complete a minimum of 40 hours of community service to receive their Ontario Secondary School Diploma.

In Niagara Catholic, community service is identified as Christian Community Service where all students will benefit academically and spiritually from volunteering in their communities. Christian Community Service enables students to witness solidarity with individuals who are in need and/or who require assistance. It provides students with an opportunity to model the teachings of Jesus Christ and puts into practice the social teachings of the Church, and the Ontario Catholic School Graduate Expectations. Students learn firsthand the lessons of the Parable of the Good Samaritan and the corporal works of mercy.

Christian Community Service hours are to be completed outside of school hours, unless a student is participating in an activity during the student's lunch break and/or spare period. Students will not receive remuneration for their Christian Community Service hours.

Students in Grade 8 are able to start accumulating Christian Community Service hours in the summer prior to their entrance into Grade 9. Grade 8 students should contact their school Principal to obtain information about the Christian Community Service requirements.

GUIDING PRINCIPLES FOR CHRISTIAN COMMUNITY SERVICE

Student participation in Christian Community Service activities will further develop their awareness and understanding of civic responsibility and the contributions they can make in supporting and strengthening their communities.
